THE CORPORATION OF THE CITY OF WRENFORD

BY-LAW NUMBER 2025-044

2025 Tax Levy By-law

WHEREAS the Municipal Act, 2001, S.O. 2001, c. 25, authorizes a municipality to pass by-laws respecting matters within its spheres of jurisdiction;

AND WHEREAS the Council of The Corporation of the City of Wrenford considers it desirable to pass a by-law that sets the property tax rates for the 2025 operating and capital budgets;

NOW THEREFORE the Council of The Corporation of the City of Wrenford enacts as follows:

1. What this by-law does

By-law 2025-044: 2025 Tax Levy By-law sets the property tax rates for the 2025 operating and capital budgets. You can think of this by-law as the city's financial blueprint for the year. It aligns the financial projections with Council's priorities and ensures we have enough revenue to cover day-to-day service costs while funding necessary long-term investments in water, roads, and transit.

The approved 2025 operating budget passes under this by-law. At the same time, the $245.0 million capital budget focuses on renewing aging infrastructure. Key projects include replacing water mains across the city and upgrading transit routes.

2. Who does this apply to?

This by-law applies to all property owners in Wrenford. Your annual property tax bill will reflect the rates set here.

3. Does this by-law include fines?

No. This by-law sets financial rates and does not create any new fines or penalties.

4. When does it take effect?

Council passed this by-law on April 14, 2025. It took effect the same day.

5. What does it amend or repeal?

This by-law does not amend or repeal any existing by-laws. It stands on its own as the annual tax levy for the 2025 fiscal year.

READ a first, second and third time and finally passed this 14th day of April, 2025.
