Reports and decisions

Healthy Waters Plan implementation The City Manager reviewed the Healthy Waters Plan implementation strategy with Council. Council approved the next steps, which focus on green infrastructure and upgrading the city's water systems to protect the Tamsin River. This strategy will help manage stormwater runoff and improve water quality throughout the watershed. Carried unanimously.

Wrenford Access service updates Staff reported on transit improvements for the Northgate Aquatic Centre. Wrenford Transit is updating the Wrenford Access service with new virtual stops and app updates to make the route more accessible for riders. These changes will reduce wait times and improve reliability during the busy winter season. Carried.

Winter recreation and outdoor rinks The City has opened outdoor skating rinks across Wrenford for the remainder of the winter season, with safety reminders and real-time status updates available to you. Crews also finished resurfacing the outdoor rink at Ambrel Lake Park ahead of the Ice Days festival. You are reminded to skate responsibly and follow all posted safety guidelines. Carried.

Residential parking permits The City Clerk announced the upcoming residential parking permit program. You can apply for annual parking permits starting May 1 for the 2026–2027 term through the Wrenford Park app or at City Hall. These permits help ensure available parking in residential neighbourhoods during the busy spring and summer months. Carried.

Public Works infrastructure agreement The General Manager of Public Works presented a service agreement for infrastructure maintenance. Council authorized the agreement to ensure roads, winter maintenance, and utility services continue without interruption. Carried.
